July 5th, 2018, Study Trip Program for Korean Smart Farm Center to Lower Austria (Province surrounding Vienna)

We meet in Vienna, Leopoldau train and metro station at 8:51 and will arrive appr. at 10:00 in Absdorf. There we get an introduction to https://www.vermigrand.com/en/ and https://www.youtube.com/watch?v=vQEQ-gWLHJU . We make a tour through the company. In addition we will visit some typical farms of the Wagram Region.

Vienna to Absdorf 58km, perhaps 1 hour

During lunch break, we will have a "Luncheon Seminar on Innovation on Farms and the Potential of Smart Farms". The Korean Smart Farm Center will be presented and Korean researchers and students will have the possibility to present their research briefly. Please prepare small PPPs with up to 5 slides. In addition we have invited professors from BOKU (Agricultural University in Vienna), Iwate University (Japan), researchers from Uganda, and from China and government officers from Lower Austria. The official program will be over around 4 or 5 p.m..
